

December 2008

Dear Friends:

It is with pleasure that we write to introduce you to the CHET (we Care, we Help, we Excel Together) Scholarship Fund, a program of *CancerCare* of Connecticut.

CHET scholarships are available to help Connecticut residents who have lost a parent or sibling to cancer to pursue their post-secondary education goals. The Chet Scholarship Fund is a new program which was founded in memory of Chet Smith who passed away at the age of 41 due to lung cancer despite being a non-smoker. The program will allow Chet Smith's love of learning to live on by supporting college students in achieving their academic goals.

We have enclosed a copy of the application for students who meet the criteria to complete. Please note the list of required documentation and the firm deadline of May 1, 2009. This application may be photocopied and distributed or a copy of the application may be downloaded at [http://www.cancercare.org/about\\_us/contact\\_us/connecticut.php](http://www.cancercare.org/about_us/contact_us/connecticut.php).

*CancerCare* of Connecticut provides free professional support services to anyone affected by cancer: people with cancer, caregivers, children, loved ones and the bereaved. Find out more about *CancerCare* at [www.cancercare.org](http://www.cancercare.org)
