

## Interested in making a charitable contribution to *CancerCare* in lieu of favors for your special occasion?

Charitable contributions are becoming an increasingly popular alternative to favors for weddings, anniversaries, birthdays, Bar/Bat Mitzvahs, and other special occasions. Many generous supporters of *CancerCare* have chosen to make a charitable contribution as a way to honor or memorialize loved ones on their special day.

At *CancerCare*, we are happy to help you create scrolls or note cards for your guests to inform them of your gift to our organization.

### **Scrolls**

*CancerCare* provides 5 ½ x 8 ½ scrolls (portrait or landscape). You may choose between parchment paper or high-quality paper stock, available in white or ivory. Additionally, we offer a limited selection of ribbon to tie your scrolls.

### **Note Cards**

You may also choose 4 ¼' x 5 ½' note cards (portrait or landscape) to position at each person's place setting. Note cards are available in white or ivory card stock.

### *Additional Information*

- ❖ *CancerCare* offers sample text as a guide, but we encourage you to create a customized message for your guests.
- ❖ Please keep in mind that we will need at least 4 weeks notice to create your scrolls or note cards.
- ❖ We request a donation of \$5 per scroll or note card (minimum of \$250) to cover supply and printing costs. We also ask that you make your gift before we begin the printing process.
- ❖ Upon making your gift, you will receive an acknowledgement for tax purposes. Your acknowledgement will specify the tax-deductible portion of your contribution, which will depend on the quantity of scrolls or note cards and your donation amount.

If you would like more information, or would like to place an order, please contact Natalia Hayeem, Individual Giving Coordinator, at 212-712-8343 or [nhayeem@cancercare.org](mailto:nhayeem@cancercare.org).
